INDEPENDENT AUDITOR'S REPORT

**To the Members of
SHRICON INDUSTRIES LIMITED**

Report on Audit of the Standalone Financial Statements

We have audited the standalone financial statements of **SHRICON INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and Statement of Changes in Equity for the year then ended, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit/loss financial performance (including Other Comprehensive income/loss), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SHRICON INDUSTRIES LIMITED ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We have conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 The Company overview

Shricon Industries Limited is engaged in the business of real estate.

Shricon Industries Limited (The Company), is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is situated at 112B, First Floor, Shakti Nagar, Kota, Rajasthan-324009, INDIA. These financial statements were authorized for issue by the Board of Directors on 27.05.2022

2 Basis of preparation of financial statements

(i) Statement of compliance and basis of preparation

In accordance with the notification issued by the ministry of corporate affairs, the companies required to prepare its financial statements as per the Indian accounting standards (IND AS) prescribed under section 133 of Companies Act 2013 read with rule 3 of the companies (Indian Accounting Standards) rules, 2015 as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Accordingly the company has prepared these financial statements which comprises the balance sheet as at 31.12.2021, the statement of profit & loss, the statement of cash flows & the statement of changes in equity for the year ended 31.12.2021 and a summary of the significant accounting policies and other explanatory information (together herein after referred to as "financial statements").

(ii) Basis of Measurement

The Company maintains its accounts on accrual basis following the historical cost convention, except for certain items that have been measured at fair value as required by the relevant IND AS.

The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs (₹ 00,000) and two decimals thereof, except as stated otherwise.

(iii) Use of Estimates & Judgements

The Preparation of financial statements in conformity with Ind As requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as at the date of the financial statements. Actual results could differ from these estimates (Refer note No. 4 on critical accounting estimates, assumptions & judgments).

These estimates could change from period to period and also the actual results could vary from the estimates. Appropriate changes are made to the estimates as the management becomes aware of changes in circumstances surrounding these estimates. The changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3 Significant Accounting policies

(i) Functional and presentation currency

These financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the company.

(iv) **Property, Plant and Equipment**

(a) *Recognition and measurement*

Assets reduced to zero after depreciation but are in use are kept at nominal value. No further depreciation is charged on such assets. Assets discarded, damaged or abandoned are measured at net realisable value.

A. The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

➔ It is probable that future economic benefits associated with the item will flow to the Company; and

➔ The cost of the item can be measured reliably.

B. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to Statement of Profit and Loss in the period in which the costs are incurred.

- C. An item of property, plant and equipment is derecognised upon disposal. Any gain or loss arising on the disposals determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.
- D. Assets in the course of construction are capitalised in the assets under capital work in progress account (CWIP). At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.
- E. Property, plant and equipment except freehold land held for use in the supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is stated at historical cost.

(b) *Depreciation/ Amortisation*

- A. Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.
- B. Depreciation on tangible assets is provided as per the provisions of Part C of schedule II of the Companies Act, 2013 based on useful life and residual value.

(v) **Investment properties**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. Freehold land is stated at historical cost and Leasehold land is stated at historical cost less amortisation. Leasehold land is amortised over the period of lease as per lease agreement.

(vi) **Intangible Assets**

- (a) Leasehold land is stated at historical cost less amortisation. Amortisation is recognised on a straight-line basis over their estimated useful lives. Leasehold land is amortised over the period of lease as per lease agreement.

(vii) **Impairment of Assets**

At each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:

- ➔ The provision for impairment loss required, if any, or
- ➔ The reversal required of impairment loss recognized in previous periods, if any.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating units exceed its recoverable amount.

Recoverable amount is determined:

- ➔ In the case of an individual asset, at higher of the net selling price or value in use.
- ➔ In the case of cash generating unit, at higher of the cash generating unit's net selling price or value in use.

(viii) **Provisions, Contingent Liabilities and Contingent Assets**

- (a) *Provisions are recognised, when :-*

- ➔ The company has a present obligation as a result of past event;
- ➔ A probable outflow of resources is expected to settle the obligation;
- ➔ The amount of the obligation can be reliably estimated.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risk and uncertainties surrounding the obligation.

(b) **Contingent liability :**

A contingent liability is a potential liability that may occur, depending on the outcome of an uncertain future event. A contingent liability is recorded in the accounting records if the contingency is probable and the amount of the liability can be reasonably estimated.

Contingent liability is disclosed in the case of :

- ➔ A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation;
- ➔ A present obligation when no reliable estimate is possible; and
- ➔ A possible obligation arising from past events where the probability of outflow of resources is not remote.

(c) **Contingent Asset :**

A Contingent Asset is a possible asset that arise from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the entity.

(d) Provisions, Contingent liabilities and Contingent assets are reviewed at each reporting date and adjusted accordingly.

(ix) **Revenue Recognition**

Income considered receivable is accounted for on accrual basis except those, which cannot be, ascertain with certainty in the respective accounting year.

(x) **Finance Cost**

Finance cost comprises interest cost on borrowings. Borrowing cost that are not directly attributable to a qualifying asset are recognized in the statement of profit & loss account using effective interest rate.

Processing fees charged on term loan is recognized in the statement of profit & loss over the tenure of the loan and balance of the processing fee is reduced from loan amount of current period.

(xi) **Other Income**

(a) **Dividend**

Dividend income on Equity Shares is recognised when the right to receive the dividend is unconditional as at the Balance Sheet date.

b) The net gain/loss on account of Investments in Debentures/Bonds/Certificate of Deposit/ Commercial papers and Government Securities is recognised on trade date basis.

(xii) **Income tax**

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss.

(a) **Current income tax**

Current tax is the amount of tax payable based on the taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit & loss account because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. The companies current tax is calculated using tax rates enacted by the end of the reporting period related to current period subject to provisions of MAT as per IT Act.

(b) **Deferred income tax**

Deferred Tax is recognized on temporary timing differences between the tax bases of assets & liabilities & their carrying amounts, at the rates that have been enacted at the reporting date. The ultimate realisation of deferred tax assets depends upon the generation of future taxable profits during the period in which those temporary differences & tax loss carry forward become deductible. The company considers the expected reversal of deferred tax liabilities & projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however could be reduced in the next term if estimates of future taxable income during the carry forward period are reduced.

(xiii) **Earning per share**

Earnings considered in ascertaining the company's earning per share comprises the net profit after tax attributable to equity shareholders.

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

4 **Critical accounting estimates, assumptions and judgements:-**

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement. Uncertainty about these assumptions and estimates could result in outcome that require a material adjustment to assets or liabilities affected in future periods.

i) **Income taxes**

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

ii) **Contingencies**

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

iii) **Allowance for uncollected accounts receivable and advances**

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables and advances are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

iv) **Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets's recoverable amount. An assets's recoverable amount is the higher of an assets's or CGU's fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

v) **Impairment of financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

vi) **Fair value measurement of financial instruments**

When the fair values of financials assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.
